
APPENDIX II Acknowledgments

- The European Union for the Marie Curie grant ERBFMBICT961343
- Prof. Dr. G. Ertl for his support and for the excellency of his department
- Dr. H.H. *Butt* Rotermund for his constant scientific commitment
- Dr. A. v. Oertzen for all he has done for me
- Prof. I.G. Kevrekidis, Dr. J. Wintterlin, and Dr. R. Schuster for helpful discussions
- D. Bauer for technical help
- Dr. R. Colen, M. Schunak for teaching me at the beginning and having comprehension for my German language incomprehension
- J.P. Dicke, *professors* P. *Linux* Erichsen and M. Pollmann, JP. *JP* Wolff for making the experimental work a real fun
- Dr. S. Manrubia, Dr. M. Kim, M. Stich, M. Bertram and Dr. M. *Mex* Hildebrand for discussions and for reading and correcting the draft
- Prof. A. Mikhailov for explanations, a desk, and a chair!
- For the initial application procedures M. Matteucci
- Former *Fritz* Ph.D. student Dr. M. Bertolo for the contacts
- Dr. T. *Tom* Zambelli for motivations and hints
- L. *la Bandiera* Colombi-Ciacchi not only for quantum-dynamical-molecular hints
- F. Canonico for his quantum-chemical advice and his sympathy
- I. Reinhardt for correcting the manuscript.
