

(13) Acknowledgement

At this moment, I would like to share my happiness through achieving this study with my wife, my children, my parents and also my old grandmother.

I am greatly honored to express my profound gratitude and cordial appreciation to **PD. Dr. med. Hashim Abdul Khaliq** for his kindness, enthusiasm, persistent encouragement and sincere help.

I am greatly obliged and indebted to **Prof. Dr. med. P.E. Lange** for his generous assistance, continuous guidance, and adoption of this thesis.

It is my pleasure to acknowledge the co-operation of **Dr. med Mohamed Abd El Rahman**, who has helped and benefited my study significantly with his experience and knowledge of scientific research. Also my acknowledgement goes to **Dr. med. Fatima Dsebissowa**, whose enthusiasm and courage are precious for our team.

Finally, I would like to take this opportunity to send my warmest thanks to the **Deutscher Akademischer Austausch Dienst (DAAD)**, the **Chinese Ministry of Education** and **Prof. Dr. med. Gui Yonghao**. Without them I would not have had the opportunity to start this study.
