## DANKSAGUNG

An dieser Stelle möchte ich allen Personen, die mir bei der Erstellung dieser Arbeit hilfreich zur Seite standen, meinen Dank aussprechen.

Herrn Dr. A. Kiderlen sei nicht nur für die Bereitstellung des Themas gedankt, sondern auch für seine stete Hilfsbereitschaft, seine überaus motivierende Unterstützung und für intensive Diskussionen.

Ich danke Herrn Prof. Dr. R. Burger für die Möglichkeit, die vorliegende Arbeit in seiner Abteilung anzufertigen. Ich verdanke ihm durch seine großzügige Förderung einen Forschungsaufenthalt in Oxford/ England, der meine Arbeit ein großes Stück voranbrachte.

Herrn Prof. Dr. T. Blankenstein und Herrn Prof. Dr. P. Götz danke ich vielmals für die Bereitschaft, meine extern angefertigte Arbeit zu begutachten und vor dem Fachbereich offiziell zu vertreten.

Mein Dank gilt ferner allen Mitarbeitern der Abteilung Infektionskrankheiten des Robert Koch-Instituts für die freundliche und kollegiale Arbeitsatmosphäre. Besonderer Dank gilt Frau U. Folkens, Frau U. Laube und Frau E. Radam für ihre ausgezeichnete technische Unterstützung. Herrn Dr. H. Schäfer sei für seine unermüdliche Geduld und ständige Hilfsbereitschaft gedankt. Frau Nikoleta Fotiadis und Herrn Thomas Klünner danke ich für die anregenden Diskussionen meiner Ergebnisse.

I would like to thank Prof. Dr. S. Gordon and Dr. Andrew McKnight of the Sir William Dunn School of Pathology at Oxford for supplying me with the F4/80-construct and F4/80-knock-out mice, their interest in my work and the opportunity to stay in one of the most famous laboratories in the field of macrophage research.

## CURRICULUM VITAE

Name: Holger Warschkau

Geburtsdatum: 27. Mai 1968 in Orizaba/ Mexiko

Familienstand: verheiratet seit dem 04.10.1994 mit Beate Warschkau, geb. Scheller  
2 Kinder, geboren am 07.07.1995 und am 16.01.2000

Schulbildung: 1974 – 1978 Mühlenau Grundschule, Berlin  
1978 – 1987 Gymnasium Steglitz, Berlin

Schulabschluß: 1987 Abitur

Berufsausbildung: 1989 – 1991 Landeslehranstalt für technische Assistenten in der  
Medizin Berlin

Berufsabschluß: 1991 Staatsexamen und Approbation

Studium: 1991 – 1996 Fachbereich Biologie der Freien Universität Berlin

Hochschulabschluß: 1996 Diplom

Promotion: seit 1996 in der Abteilung Infektionskrankheiten des  
Robert Koch-Instituts unter der Leitung von Herrn Prof. Dr. R. Burger

Auslandsaufenthalt: November 1998 im Labor von Herrn Prof. Dr. S. Gordon an der Sir  
William Dunn School of Pathology in Oxford/ England
