

CURRICULUM VITAE

Ulf Gurok

Born June 18th 1976 in Paderborn, Germany

German national

- 11/2001 - 12/2004 **Ph.D. student**
Max-Planck-Institute for Molecular Genetics, Berlin, Germany
Department Human Molecular Genetics (Prof. Dr. Hans-Hilger Ropers)
DNA Microarray group (Dr. Ulrike Nuber)
Topic: ‘Gene Expression Studies of Murine Adult Neural Stem Cells’
- 10/1995 - 09/2001 **Studies of Biology**
Philipps-Universität Marburg, Germany
Degree: **Diplombiologe**
Majors: Microbiology, genetics, biochemistry, immunobiology
Diploma thesis under supervision of Prof. Dr. Uwe Völker
‘Molecular and Functional Characterization of the Sporulation Genes
prkA, *ymfB*, and *yvjB* of *Bacillus subtilis*’
- 02/2000 - 05/2000 Scholarship by the **Erasmus program** of the European Union
Institut de Génétique et Microbiologie, Université Paris-Sud, France
Laboratoire du Chromosome Bactérien (Dr. Françoise Le Hegarat)
- 08/1997 - 05/1998 **Exchange student**
Juniata College, Huntingdon, PA, USA
Degree: **Bachelor of Science**
- 08/1982 - 06/1995 Grundschule St. Kilian and Goerdeler-Gymnasium, Paderborn, Germany
Degree: **Abitur**
