

## Acknowledgments

I want to express my deepest thanks and appreciation to *Prof. Dr. Rudolf Gorenflo*, Department of Mathematics and Computer Science, Free University Berlin. It gives me a great pleasure to offer my respect to him for his supervision and guidance.

My great thanks are also due to *Prof. Dr. F. Mainardi*, for discussions and for providing us with his recent papers.

I want also to express my special gratefulness for the grant provided by the government of *Arab Republic of Egypt*, namely, the Department of Culture and Mission of the Egyptian Embassy in Berlin.

My grateful appreciation and genuine acknowledgment is also due to the staff of the Department of Mathematics and Computer Science, Free University Berlin, for their hospitality and cooperation. I would also like to express my special gratitude to *Prof. Dr. H. Begehr*, First Mathematical Institute of Free University, for his generosity.
