

Appendix A

Examples of seismic images and their interpretation

Seismic line 1 _____	110
Seismic line 2 _____	111
Seismic line 3 and 4 _____	112
Seismic line 5 _____	113
Seismic line 6 _____	114
Seismic line 7 _____	115
Seismic line 8 _____	116
Seismic line 9 _____	117
Seismic line 10 _____	118
Seismic line 11 _____	119
Seismic line 12 _____	120

Appendix B

Results of the 3D reverse modelling

3D views on the top of the Permian salt at different stratigraphic levels_____	121
Isochore maps of the Permian salt from the end of the Triassic to present day__	122
