Erklärung

„Ich, Andrea Blüschke, erkläre, dass ich die vorgelegte Dissertationsschrift mit dem Thema:
„Wertigkeit der Endosonographie bei der Beurteilung des Lymphknotenbefalls im
Mediastinum für das Nicht-kleinzellige Bronchialkarzinom-Vergleichende Untersuchung
zwischen Endosonographie und Computertomographie“ selbst verfasst und keine anderen als
die angegebenen Quellen und Hilfsmittel benutzt, ohne die (unzulässige) Hilfe Dritter verfasst
und auch in Teilen keine Kopien anderer Arbeiten dargestellt habe.“

18.10.2005

Andrea Blüschke

In großer Dankbarkeit
meinen Eltern gewidmet

An dieser Stelle ist es mir eine angenehme Pflicht, Prof. Dr. med. K. Gellert für die Überlassung dieses Themas und das mir dadurch entgegengebrachte Vertrauen herzlich zu danken. Mein besonderer Dank gilt Dr. med. F. Noack für die wertvollen Anregungen zur Durchführung dieser Arbeit. Außerdem bin ich Priv.-Doz. Dr. med. J.-C. Rückert insbesondere für die Unterstützung in der Endphase dankbar. Ebenso danke ich Dr. rer. Nat. I. Kühler, Dr. med. P. Rogalla, Dr. med. E. Zenev und allen anderen, die mich unterstützt haben.

Mein Lebenslauf wird aus Datenschutzgründen in der elektronischen Version meiner Arbeit nicht mit veröffentlicht.
