

# List of Tables

## **Chapter 1: Quasicrystals**

1.1	Different phases of Al-Ni-Co with their periodicities and tilings . . . . .	24
-----	---	----

## **Chapter 2: Experimental Methods**

2.1	Important experimental parameters . . . . .	51
-----	---	----

## **Chapter 3: The 10-fold *d*-Al-Ni-Co Surface**

3.1	Diffraction vectors and Miller indices . . . . .	62
3.2	Miller indices with respect to the superstructure basis . . . . .	67

## **Chapter 4: The 2-fold *d*-Al-Ni-Co Surfaces**

4.1	Diffraction vectors of the (10000) surface . . . . .	89
-----	--	----

## **Chapter 6: The 5-fold *i*-Al-Pd-Mn Surface**

6.1	Diffraction vectors . . . . .	118
-----	-------------------------------	-----
