Danksagung

Herrn Prof. Dr. R. A. Kroczek danke ich für die Überlassung des Themas, sowie für die ausgezeichneten Arbeitsbedingungen, den unermüdlichen Einsatz und die vielen anregenden Diskussionen.

Herrn Dr. J. R. Slupsky danke ich herzlichst für die Einweisung in grundlegende Techniken, viele hilfreiche Ratschläge und ständige Ansprechbereitschaft.

Herrn Prof. Dr. F. Hucho danke ich für die freundliche Übernahme des Koreferats.

Herrn Dr. M. Gräfe danke ich für die Kultivierung der Endothelzellen, vielfältige Unterstützung und ständige Diskussionsbereitschaft.

Frau Dr. S. Müller danke ich dafür, daß sie mit grundlegenden Versuchen die Basis für den Erfolg dieser Arbeit gelegt hat.

Herrn Dr. R. Förster danke ich für die Durchführung der konfokalen Mikroskopie, Herrn Dr. I. Anagnostopoulos für die Durchführung der Immunhistologie.

Frau K. Ranke und Frau P. Jahn danke ich für die zuverlässige technische Unterstützung.

Vor allem möchte ich mich auch bei allen Mitarbeitern der Arbeitsgruppe bedanken, die mir stets mit Rat und Tat zur Seite standen und für eine hervorragende Arbeitsatmosphäre sorgten.

Publikationen

Auszüge der vorliegenden Arbeit wurden veröffentlicht in:

Henn, V., Slupsky, J.R., Gräfe, M., Anagnostopoulos, I., Förster, R., Müller-Berghaus, G., and Kroczeck, R.A.

CD40 ligand on activated platelets triggers an inflammatory reaction of endothelial cells
Nature (1998) 391, 591-594

Konferenzbeiträge:

Henn, V. and Kroczeck, R.A.

CD40 on human platelets induces down-regulation of co-expressed TRAP (CD40 ligand)
Herbsttagung der Deutschen Gesellschaft für Immunologie, Freiburg 1998

Henn, V., Slupsky, J.R., Gräfe, M., Müller-Berghaus, G., and Kroczeck, R.A.

TRAP (CD40 ligand) on activated platelets triggers a pro-inflammatory reaction of endothelial cells

Herbsttagung der Deutschen Gesellschaft für Immunologie, Würzburg 1997

Lebenslauf

Persönliche Daten

Name: Volker Henn
Geburtsdatum: 27. März 1967
Geburtsort: Klein Sisbeck, Kr. Helmstedt

Schulbildung

1973-1977 Besuch der Albrecht-Dürer-Grundschule, Düsseldorf
1977-1986 Besuch des Leibniz-Gymnasiums, Düsseldorf
5.6.86 Erlangung der Allgemeinen Hochschulreife

Hochschulausbildung

April 1990 Immatrikulation im Fach Biochemie an der Freien Universität Berlin
Februar-September 1995 Diplomarbeit bei Prof. R. A. Kroczek am Robert Koch-Institut, Berlin
seit Oktober 1995 Dissertation bei Prof. R. A. Kroczek am Robert Koch-Institut, Berlin
