

Scientific Meetings

- **Keystone Symposium “RNAi, MicroRNA, and Non-Coding RNA”,** March 25 – 30, 2008, Whistler, British Columbia, Canada.

Poster presentation: shRNA transgenic rat model for inducible type II diabetes mellitus.

- **Wollenberger Seminar at Max-Delbrück-Center for Molecular Medicine,** Feb. 4, 2008, Berlin, Germany.

Oral presentation: New shRNA transgenic rat model for inducible type II diabetes mellitus.

- **Scientific meeting of German Institute for High Blood Pressure Research,** Dec. 1-2, 2007, Madrid, Spain.

Oral presentation: shRNA transgenic rat model for inducible type II diabetes mellitus.

- **RNAi EUROPE,** Sept. 19-21, 2007, Barcelona, Spain.

Poster presentation: shRNA transgenic rat model for inducible type II diabetes mellitus.

- **International Symposium RNAi in vivo Technologies,** Oct. 5-6, 2006, Munich, Germany.

- **Walking Molecular Pathways,** MDC/FMP PhD Student Retreat, Sept. 7-9, 2006, Berlin, Germany.

Oral presentation: Approaching Tph2 knock down in transgenic rats.

- **RNA Technologies: New Prospects for Future Science,** June 8, 2006, Berlin, Germany.

- **Signal Transduction in Disease,** MDC/FMP PhD Student Retreat, Sept. 8-10, 2005, Berlin, Germany.

Poster presentation: Characterization of the Tryptophan hydroxylase 2 Expression.
