Expression von CD1a bei Arzneimittelexanthem

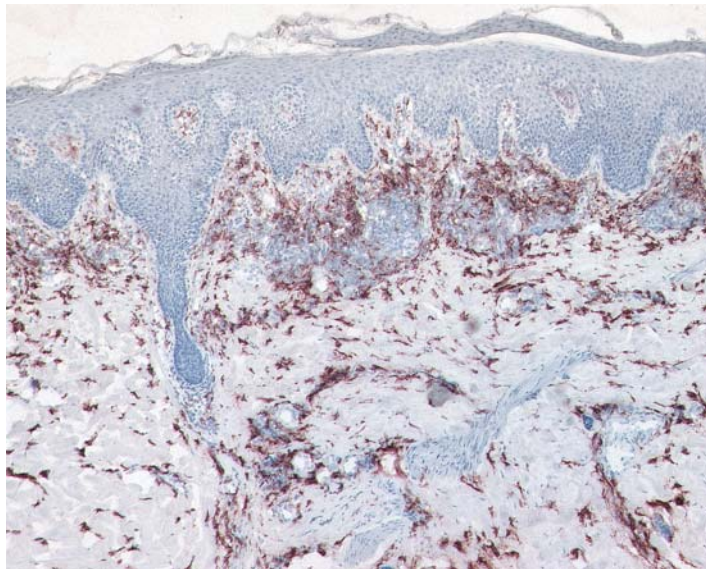

Expression von CD1a bei atopischer Dermatitis

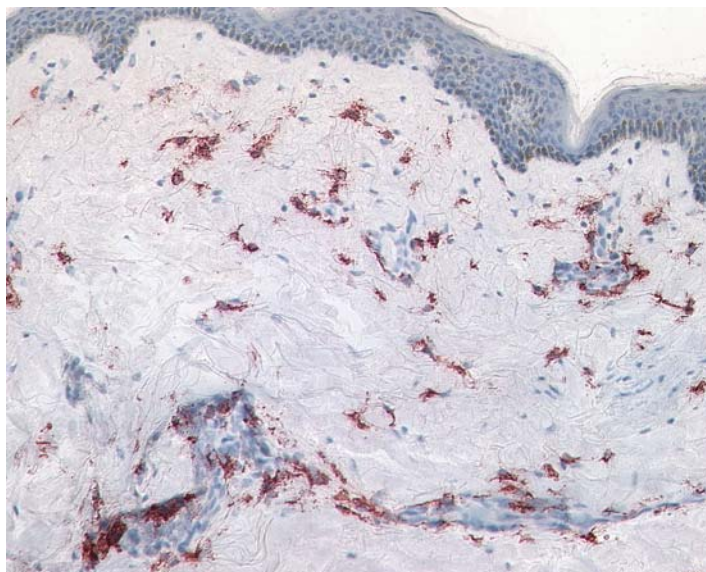

Expression von CD1a bei akuter Kontaktdermatitis

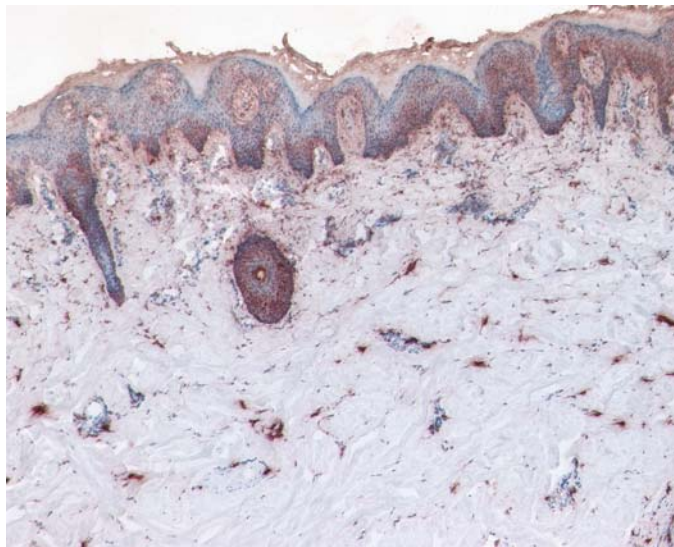

Expression von RM3/1 bei Arzneimittelexanthem

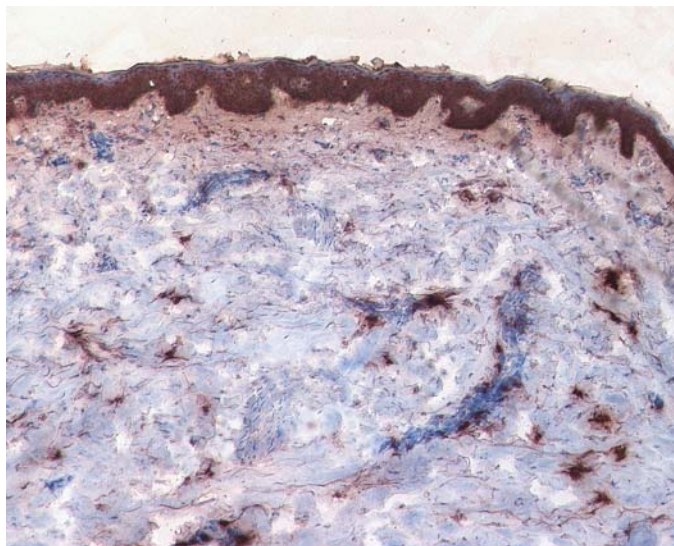

Expression von RM3/1 bei atopischer Dermatitis

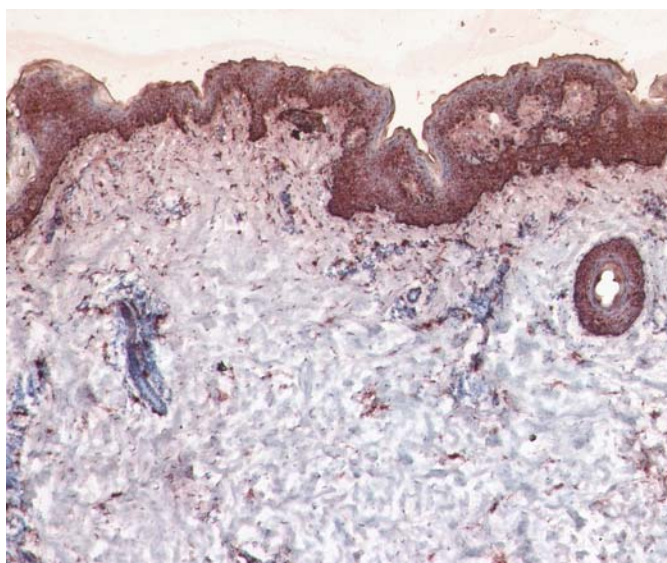

Expression von RM3/1 bei akuter Kontaktdermatitis

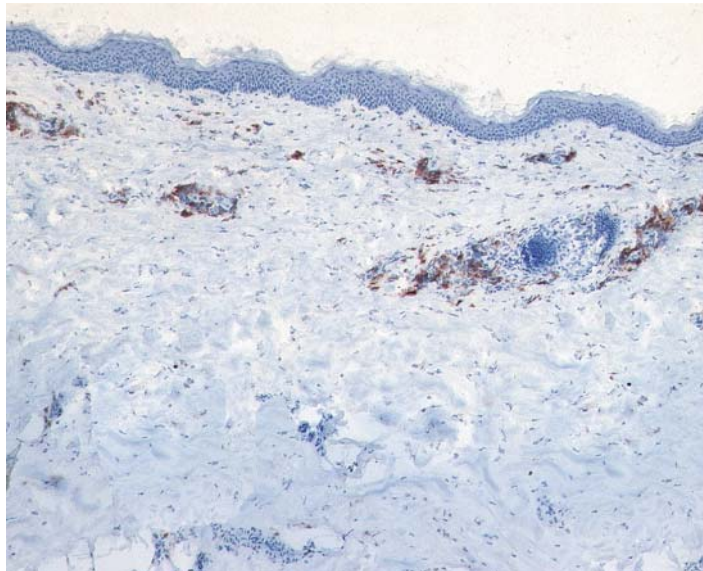

Expression von 25F9 bei Arzneimittelexanthem

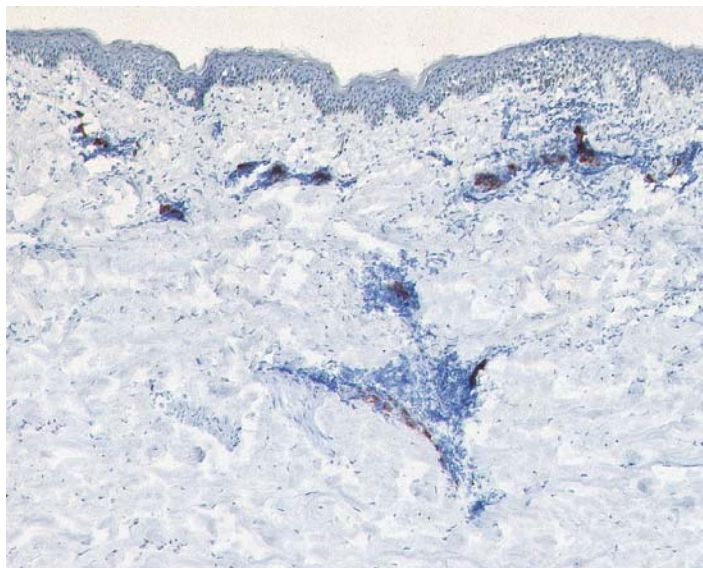

Expression von 25F9 bei atopischer Dermatitis

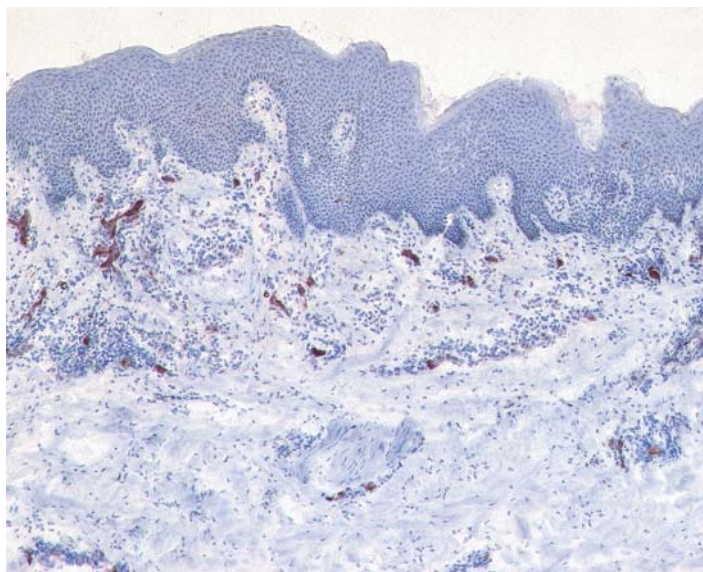

Expression von 25F9 bei akuter Kontaktdermatitis

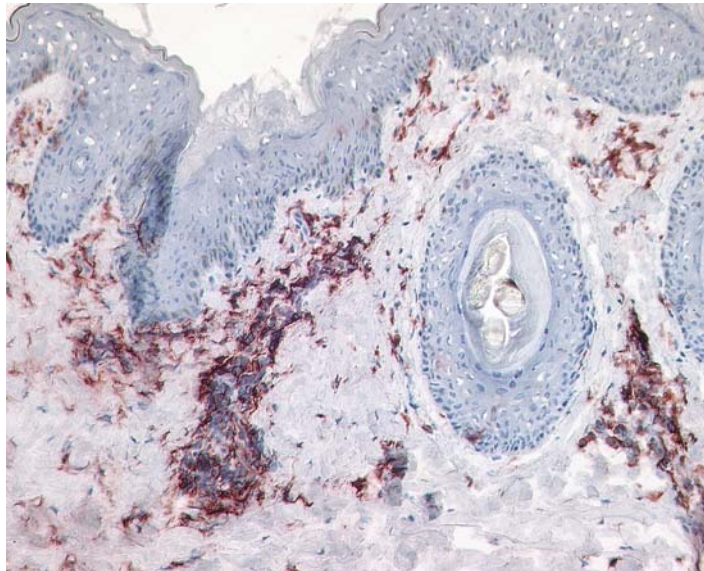

Expression von CD16 bei Arzneimittelexanthem

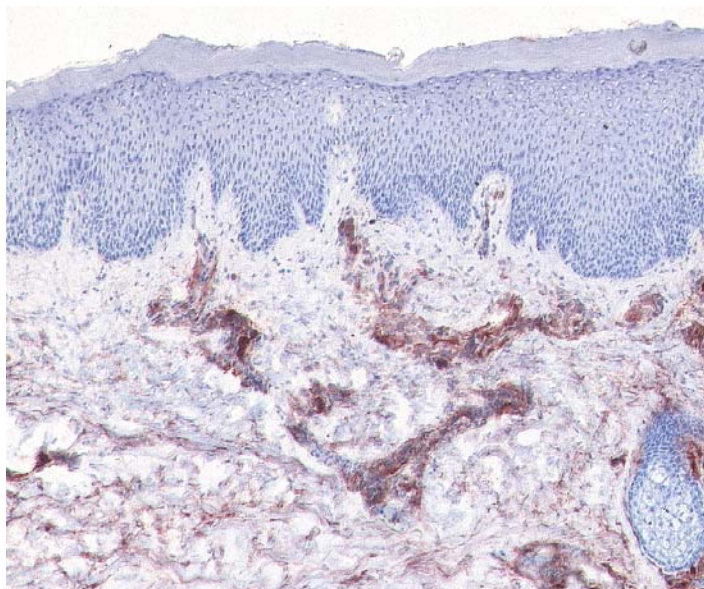

Expression von CD16 bei atopischer Dermatitis

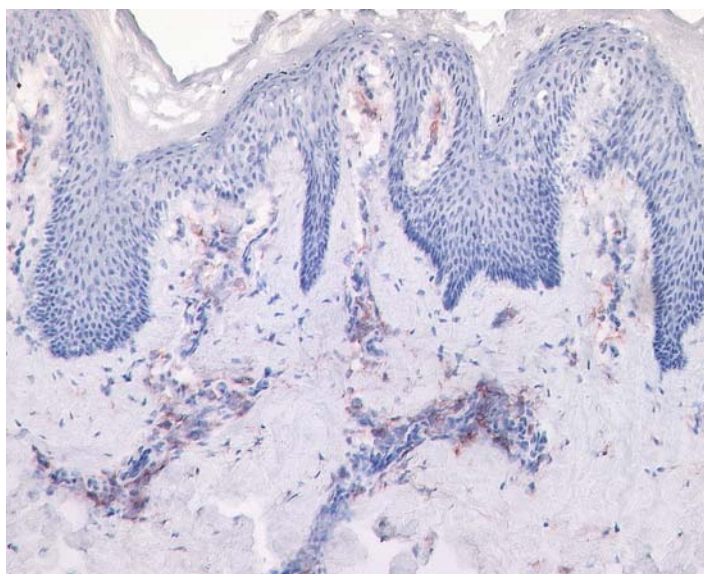

Expression von CD16 bei akuter Kontaktdermatitis

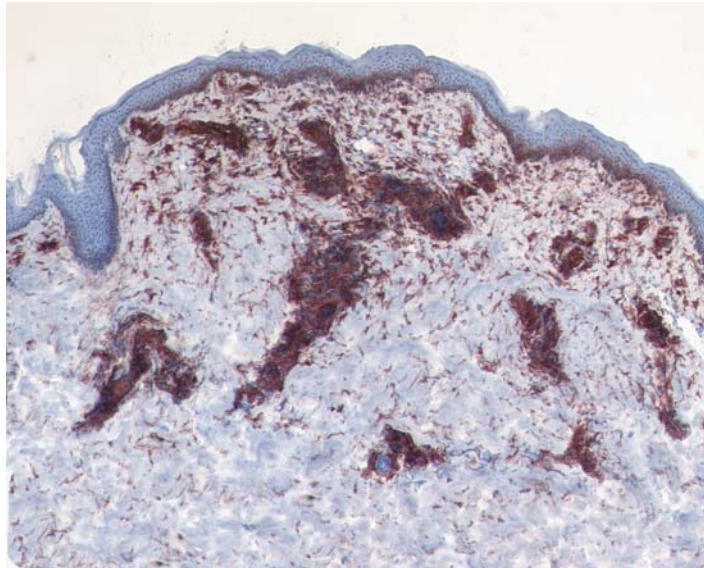

Expression von CD32 bei Arzneimittelexanthem

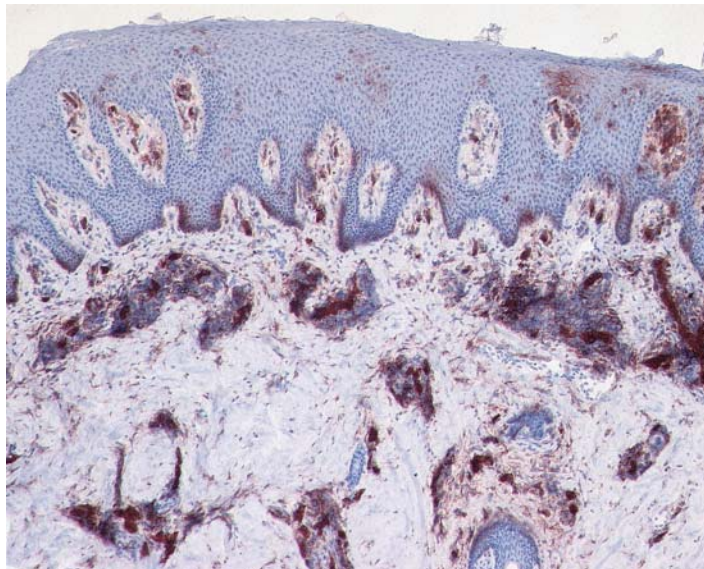

Expression von CD32 bei atopischer Dermatitis

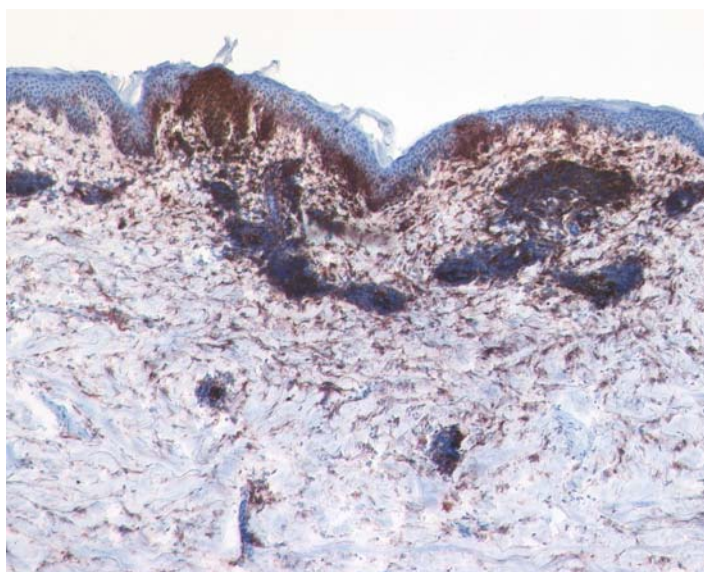

Expression von CD32 bei akuter Kontaktdermatitis

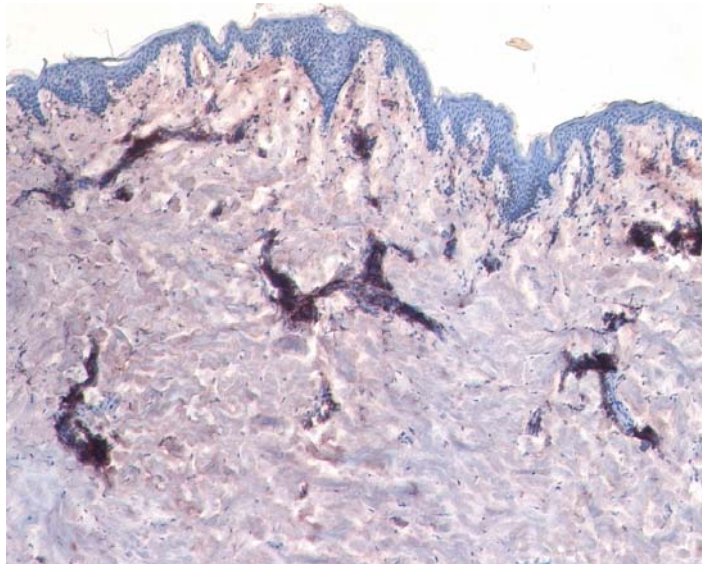

Expression von CD54 bei Arzneimittelexanthem

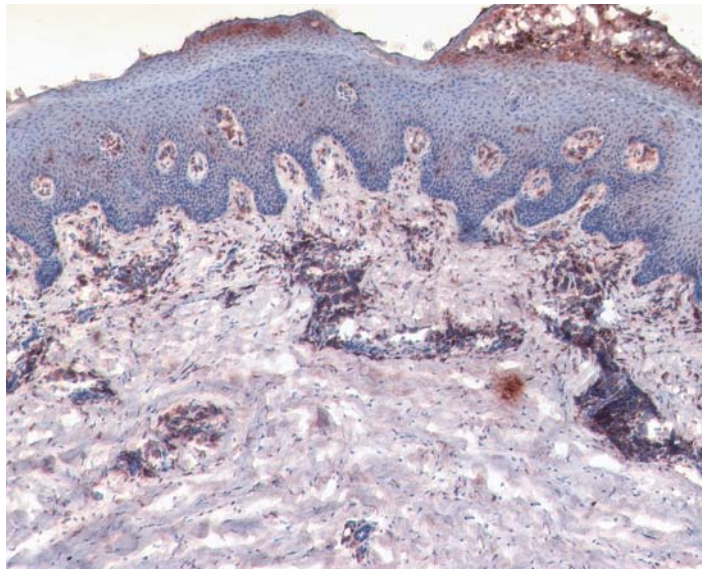

Expression von CD54 bei atopischer Dermatitis

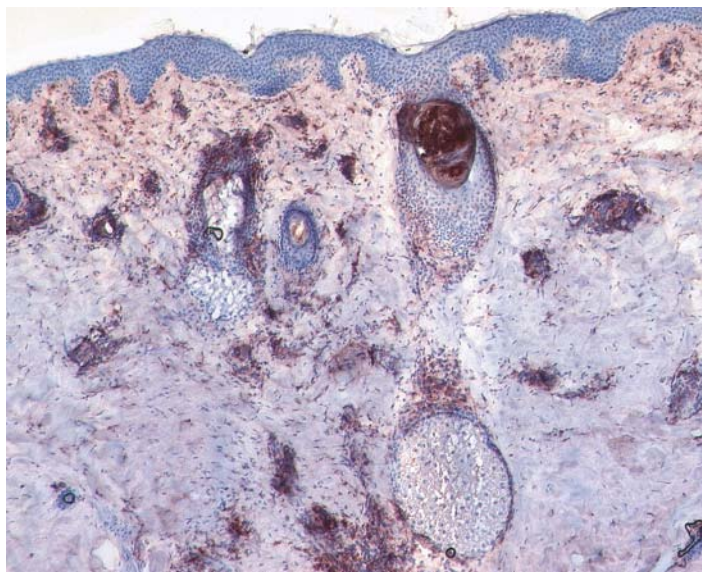

Expression von CD54 bei akuter Kontaktdermatitis

Expression von CD49d bei Arzneimittelexanthem

Expression von CD49d bei atopischer Dermatitis

Expression von CD49d bei akuter Kontaktdermatitis
